HIRE INFORMATION

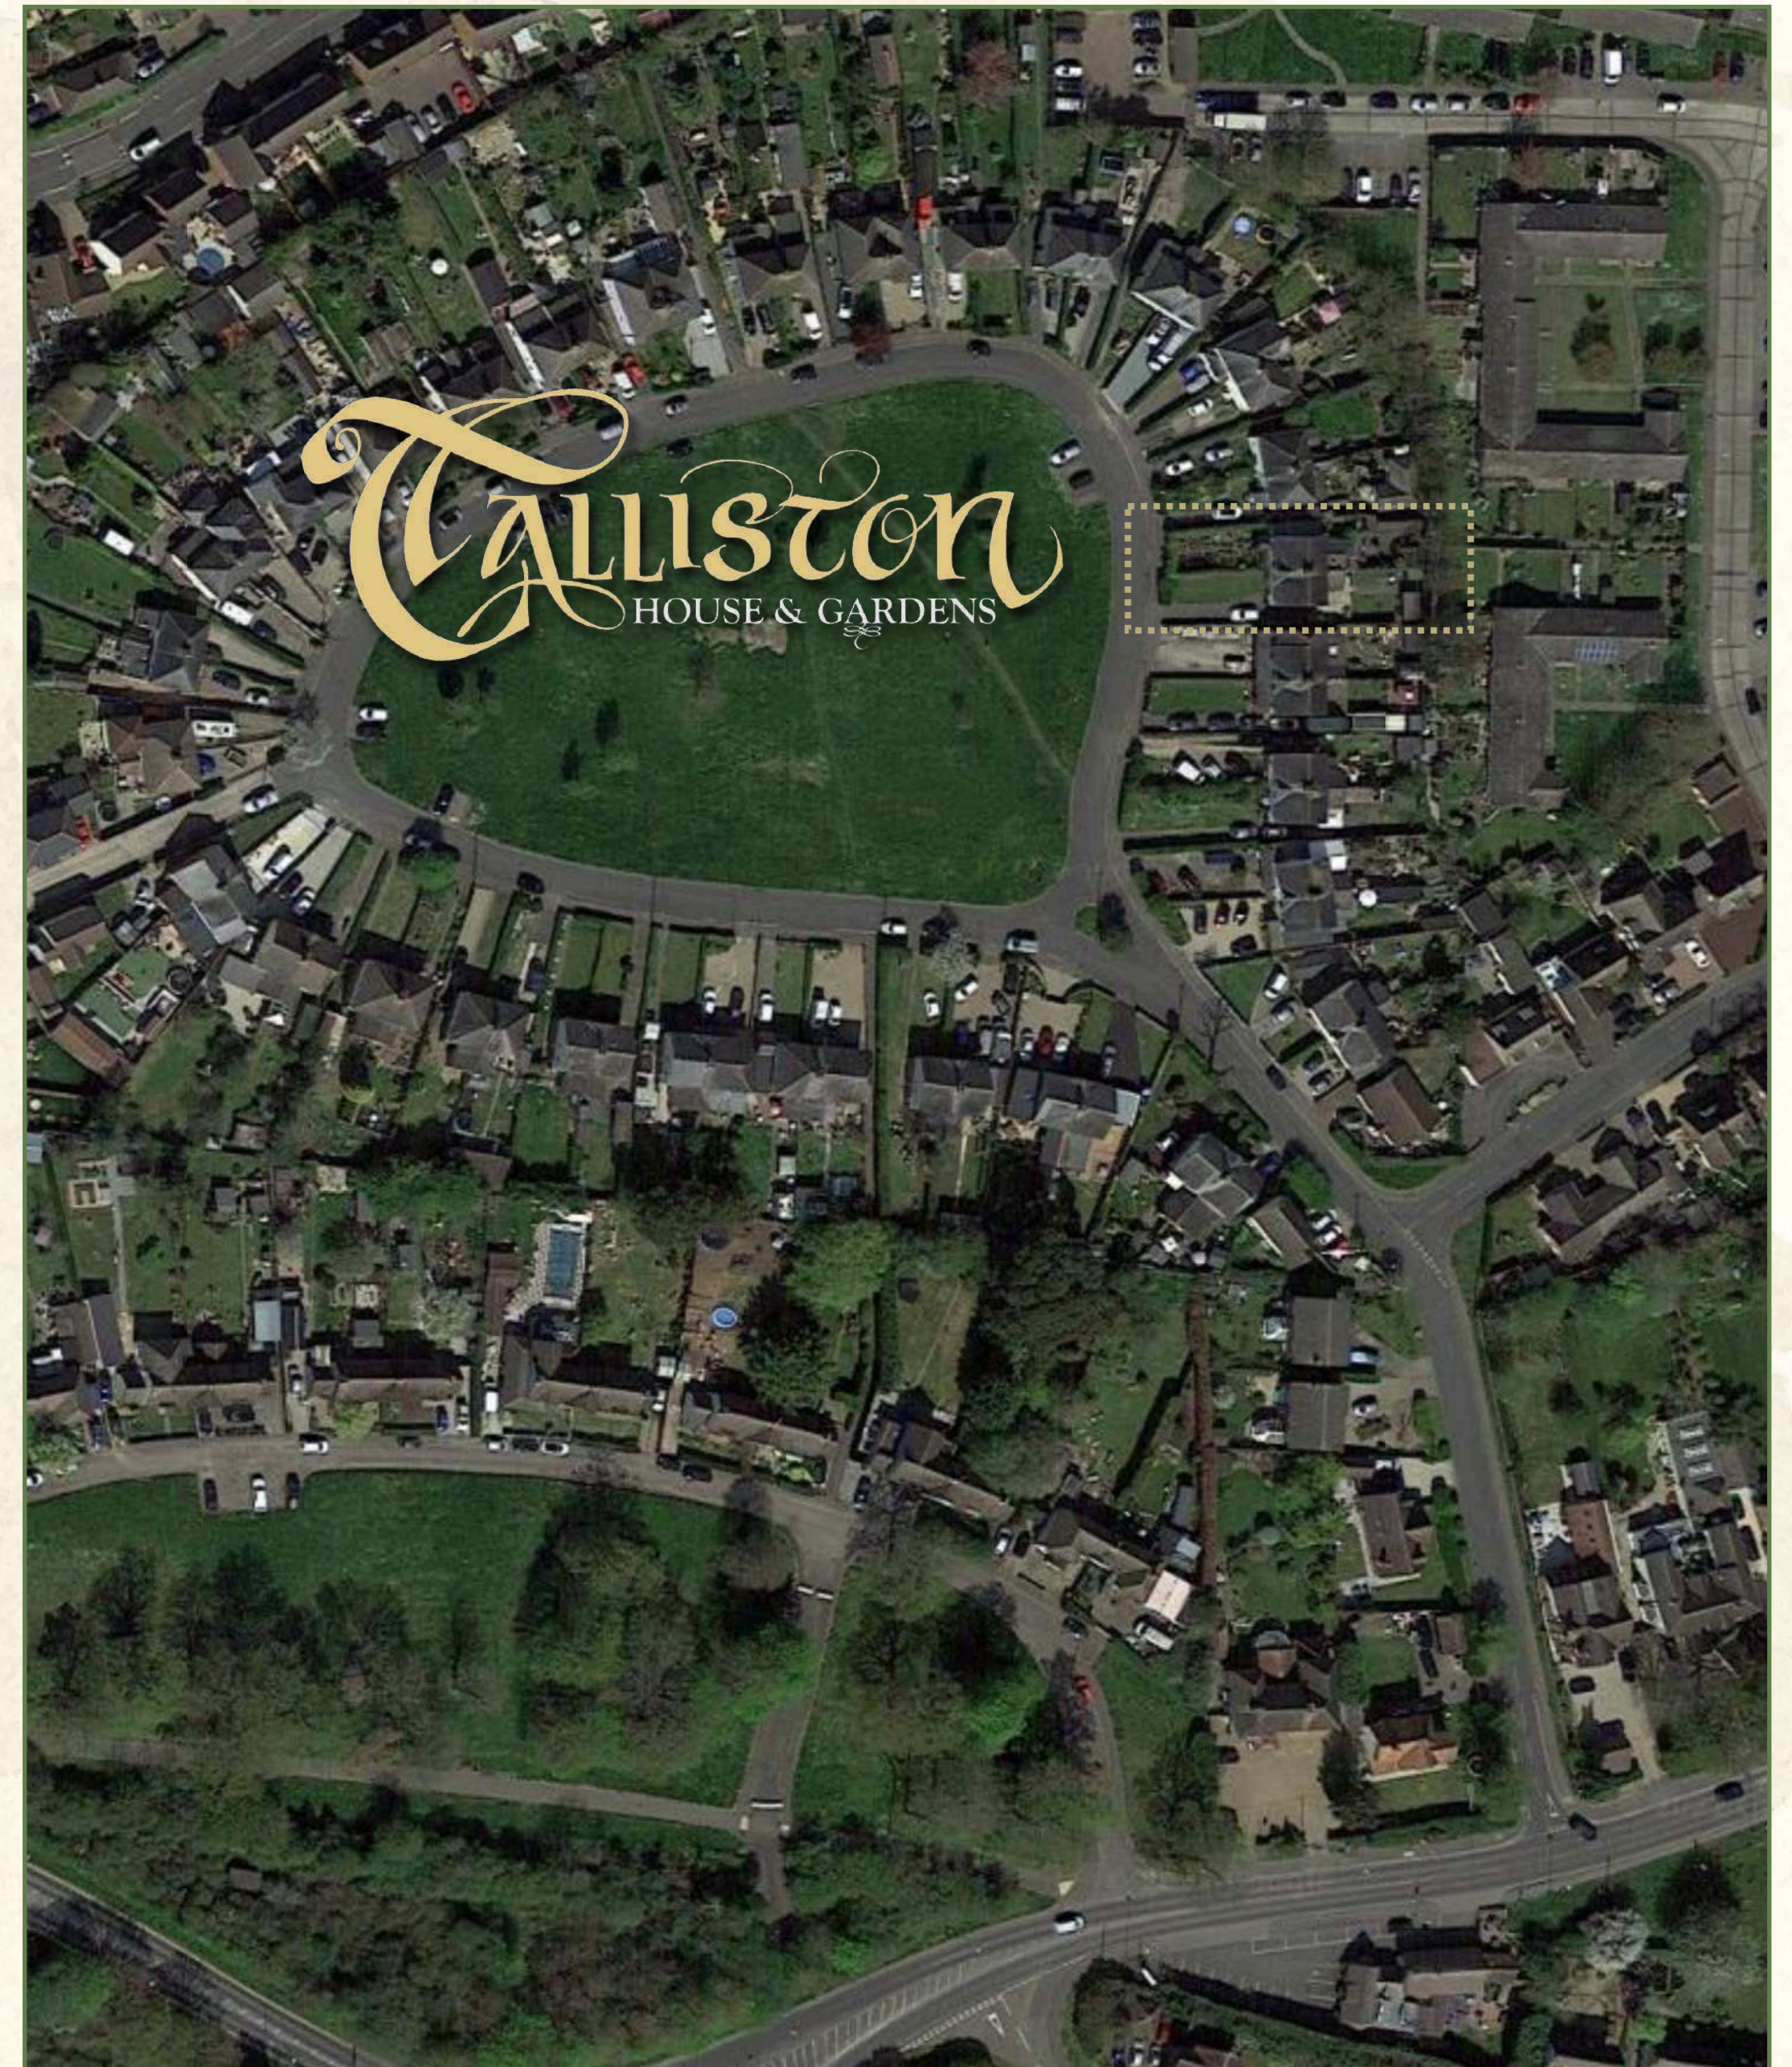

Arrival Finding Talliston

When you arrive at Newton Green CM6 1DU, imagine the entire green is a clock face, where the entrance road Green Lane is six o'clock. Keep right and Talliston is at three o'clock. There is no name or number on the house, just look out for this distinctive arched gate.

Please park responsibly. The house is in a residential street with driveways that need to be kept clear. The best place is Green Lane, the entry road onto the green. Please also be respectful of our neighbours when arriving or leaving.

If you need help finding the property on the day of your visit, please call 01371 876308.

Great Dunmow
Historic market town, Essex, England

Great Dunmow **Accommodation**

Situated on a few miles from Stansted Airport, Talliston is surrounded by hotels and bed & breakfast accommodation including The Saracen's Head & Travelodge in the town.

Within 10 minutes' drive you can also find Hampton by Hilton, Radisson Blu, Premier Inn & many others.

Terms & Conditions Hiring Talliston

Talliston is an interior design adventure and as such be aware that some rooms and areas require extra care.

Care should also be taken throughout the house to avoid damage to the property or interiors – and we ask that you leave the house and gardens in the same condition you found it. All damages to the house and contents to be paid for in full.

Hire of the house & gardens includes an on-site member of the team to assist with arrivals, setup, technical questions and departure.

Photographers are asked not to move furniture and items without supervision. If you want that perfect shot, please ask our team member and we will assist in helping you create it.

Unless you have a specific need to shoot in the kitchen, this area is set aside for crew set up, storage of kit and where the complimentary refreshments are situated. The bathroom is also right next door. As this is an eating area, do not use hair products or brush hair in this room.

Onsite catering is available. No food or drink can be brought into the house without prior arrangement with the organisers.

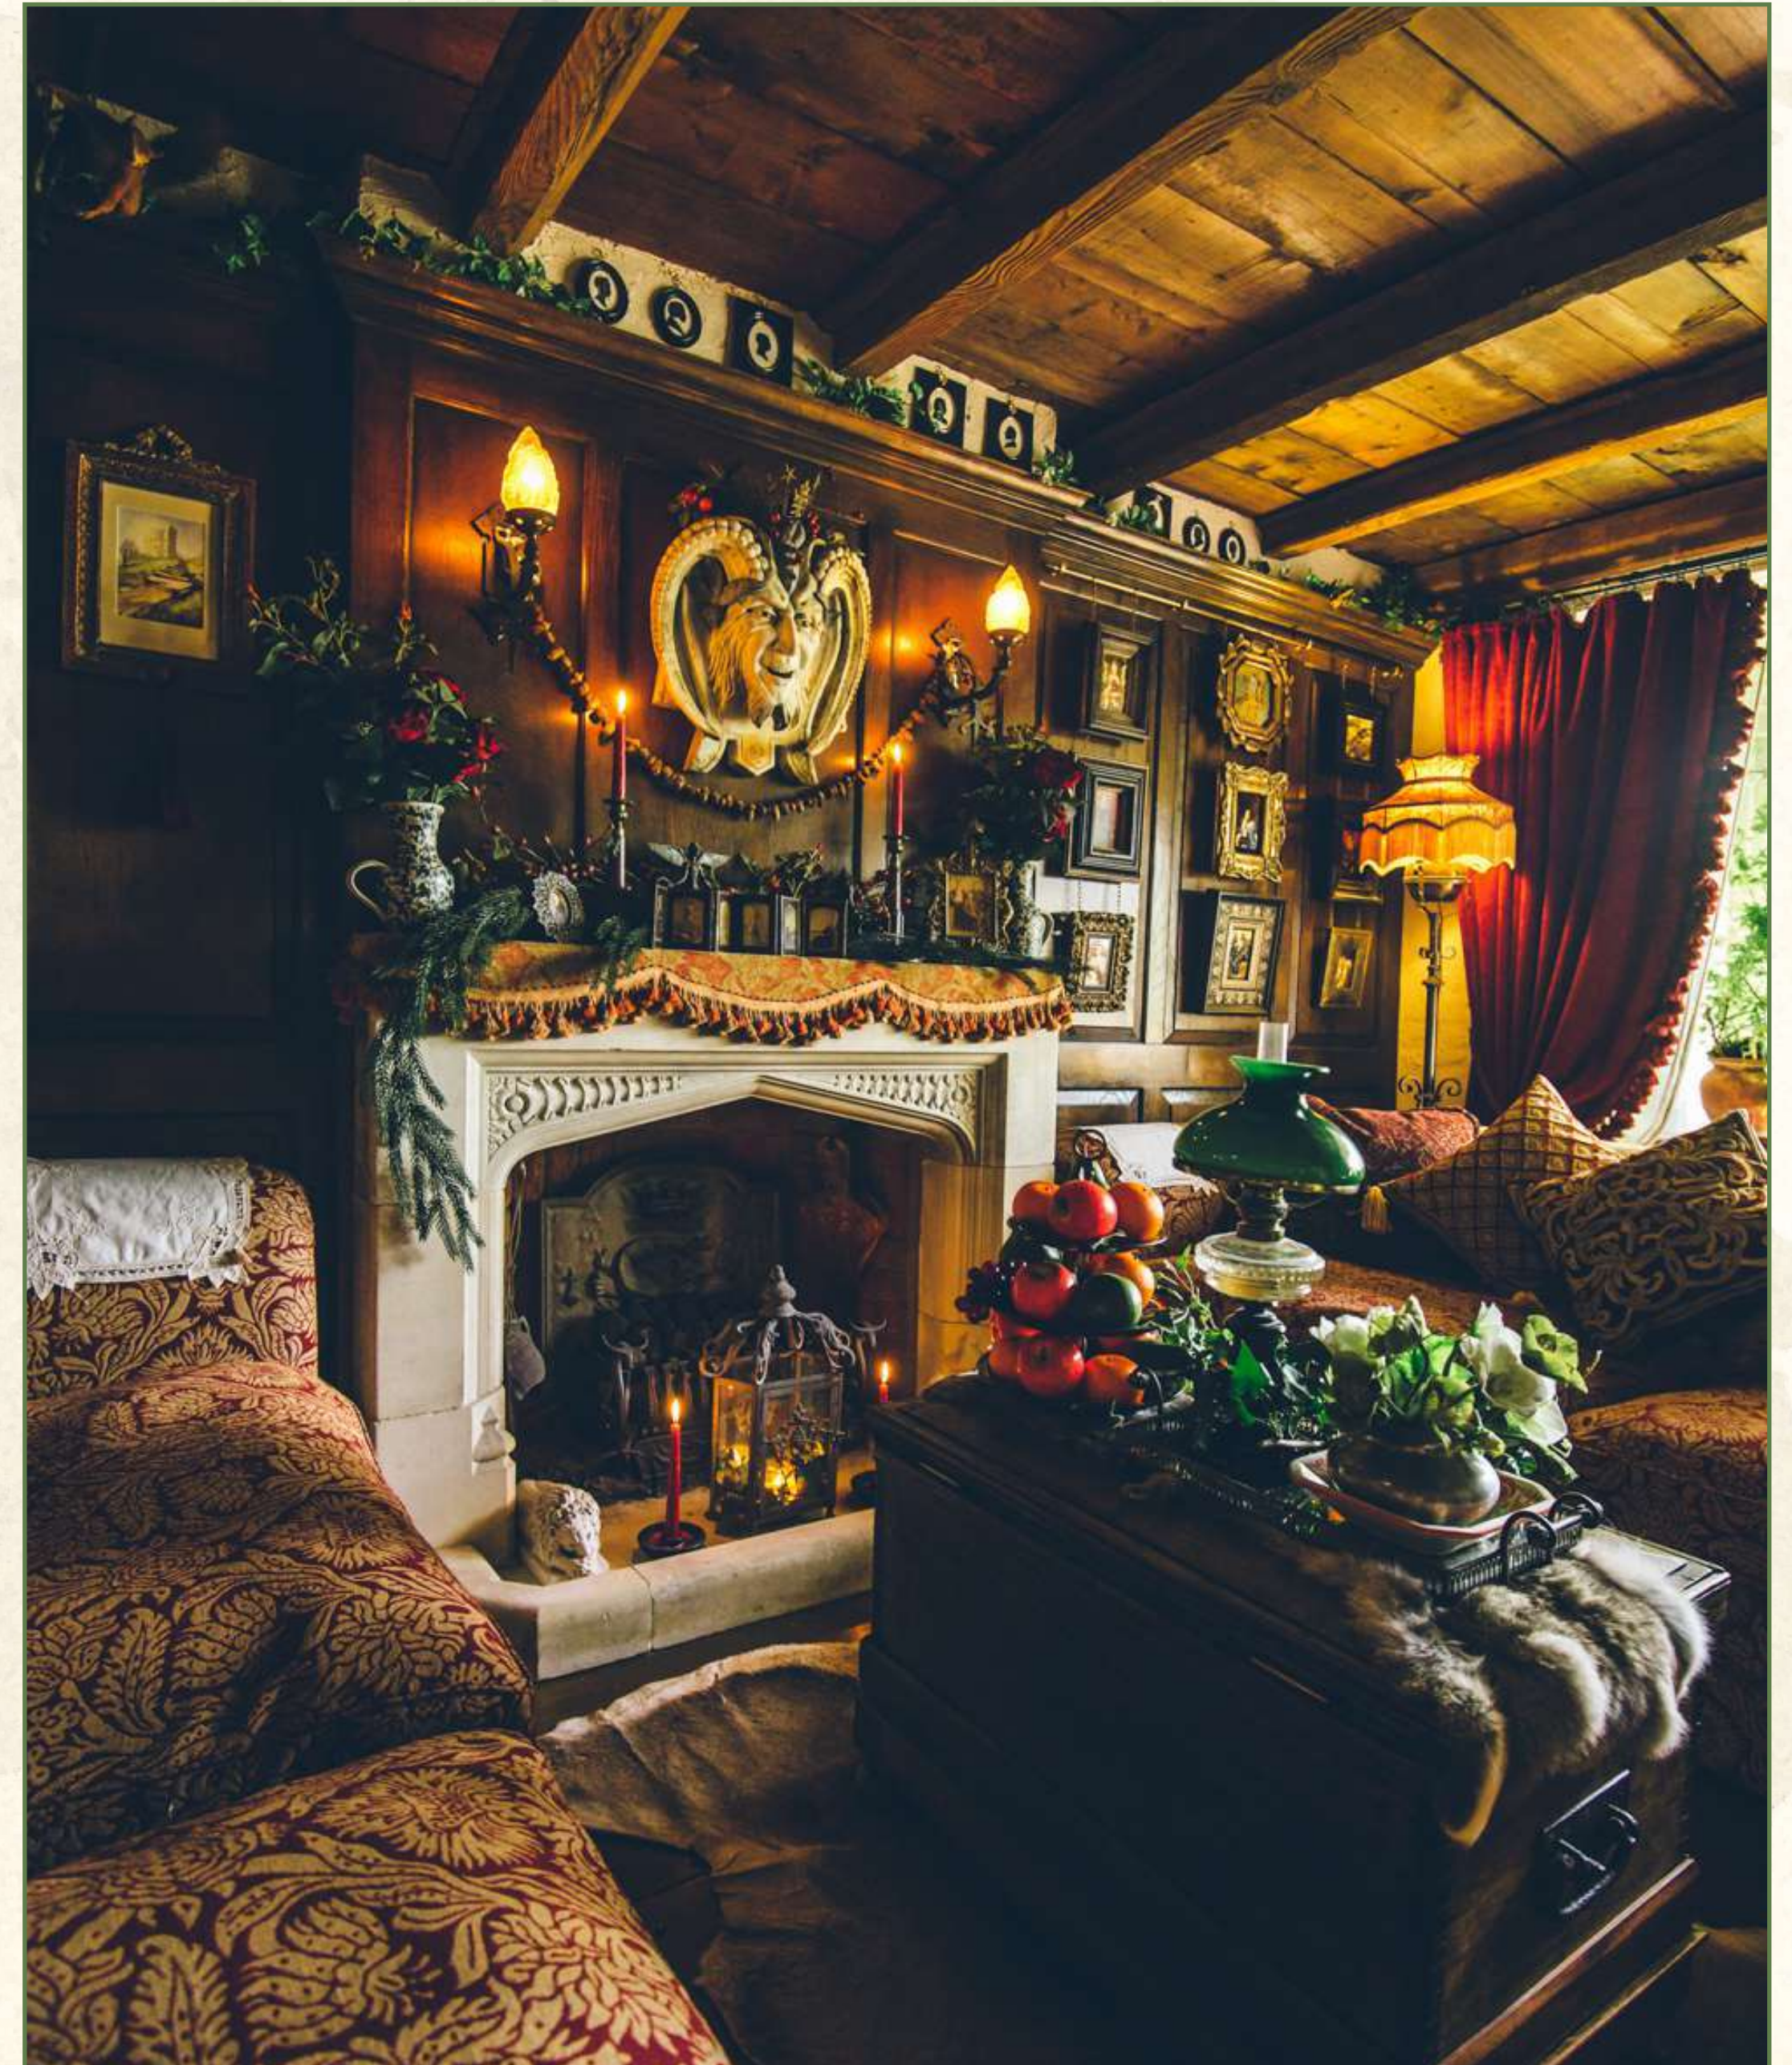

Due to the delicate nature of the wooden floors, no high heel or stiletto shoes are to be worn. During shoots where models are required to wear heels, ensure appropriate coverings in rooms with floors that may be damaged.

Please also take care with bulky or large kit when entering or leaving the house and organise storage with us.

Downstairs there are plug points at either end of the living room against the fireplace wall and in the kitchen area.

Upstairs the only usable plug point is in the guest bedroom (at the base of the blue stained glass door). Extension cables are available on request.

Talliston has a no-smoking policy. If you smoke, an area is provided in the summerhouse accessed via the back garden.

Talliston also has a no-glitter policy. Please can we ask guests not to bring glitter shoes, clothes, presents or other glitter items into the house.
